Here are some tips that will help you make sure that all of your members look terrific! First, check the description for the item that you are ordering, and note the chart letter that is listed. Click on the chart link and notice which measurements are needed for that particular chart. We have provided you with a roster on the second page of the order form. This page is to be used as a worksheet for you to list your members, their measurements and the sizes that you select for them.

We recommend that members are measured wearing only undergarment or very lightweight clothing such as a T-shirt. Measuring over bulky clothing will give you inaccurate measurements. Make sure to hold the tape measure straight. It should be snug, but not tight.

## HOW TO MEASURE

1. **BUST:** Women measure around the fullest part of the bust, and around the back over the bra line.

**CHEST:** Men measure across shoulder blades, under arms, across chest.

2. **WAIST:** Measure around smallest part of natural waist.

3. **HIPS:** Measure around the fullest part of hips.

4. **SKIRT LENGTH:** Measure from waist to desired location for hem.

5. **SLEEVE LENGTH:** Men's tuxedo shirts only. Bend elbow. Measure from center of back of neck, across shoulder, around point of elbow to wrist bone.

**BACK LENGTH:** Measure from base of neck to natural waist.
